

HAND SANITIZER SEWING KIT

Free sewing class for this kit can be found on our
facebook group page:

<https://www.facebook.com/groups/pickmeuppers/>

MATERIALS:

FABRIC

KEYCHAIN RING

MATCHING THREAD

SEW ON SNAP

RIBBON FLOWER

Instructions:

1. Cut the bottle shape out 2 times
(make sure that the fabrics are inside out)
2. Cut a long out 1 time the long strip of fabric
that is cut on the fold.
3. Fold the flaps and sew
4. place one of the bottle shape cutouts on the nice side inside. Place
the long stripe that is cut on the fold on top of that piece. Then place
the other bottle shape on top of that, the nice side facing in.
5. Sew around 1/4 of an inch, leaving the flap sewn part open
6. Turn inside out
7. Iron everything nicely
8. Sew around the edge (leaving flap sewn part open)
9. Sew-on Snap
10. Sew on Ribbon
